

Plagborg

Defence Mobility

WE DELIVER ALL TYPES OF SPECIAL PROJECTS FOR THE DANISH DEFENCE

For the past 20 years, Plagborg has been a trusted supplier and partner to the Danish Ministry of Defence Acquisition and Logistics Organisation (DALO)

Deliveries to DALO and the defence industry, including:

- Framework agreements:
 - Civilian trailers
 - Military off-road trailers
- Design and development of special projects, incl. documentation and testing
- Special vehicle body building
- Truck body building
- Van body building

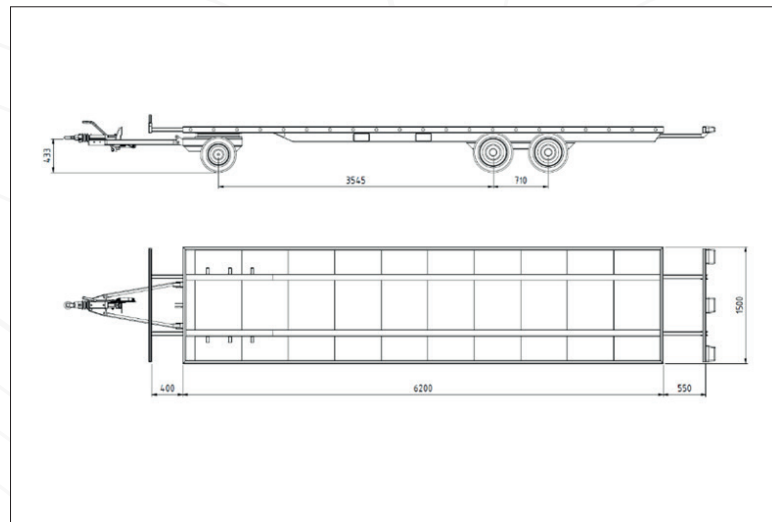

In addition to being security-cleared, Plagborg has extensive experience delivering solutions to a wide range of the Danish Defence's branches, including:

- Defence Command
- Danish Emergency Management Agency
- Army Command
- Air Force Command
- Defence Maintenance Service
- Navy Command
- Home Guard
- Jaeger Corps
- Frogman Corps
- Ground-Based Air Defence
